The Research, Discovery,
and Experience Company

ABOUT HAI

HAI is a professional services firm offering research, discovery, and experience services to government, commercial, legal, & cultural heritage clients. Headquartered just outside of Washington, D.C., we have served thousands of clients across the U.S. and around the world since 1981.

We are a small business with big impact historical solutions. We are best-in-class consultants and implementers of historical, archival, and records management services. We are certified professionals with global experience. HAI is here to be a collaborative extension of your team to achieve your requirements and objectives.

► HAI GOVERNMENT SERVICES

Government agencies always have multiple responsibilities to administer. Whether it's a mandate to modernize information management practices, or initiatives to discover content that supports modern program missions, a trusted partner in archival and research services can help.

HISTORICAL, ARCHIVAL, & CURATORIAL SERVICES

HAI's historical research, discovery, and experience services uncover and present agency history, values, and missions. We create content that shares historical information and insight with agency leadership and program teams. We develop print and digital displays, exhibits, and media. We provide museum, archival, and curatorial services that identify, preserve, and showcase heritage asset collections.

M-19-21 / M-23-07 COMPLIANCE SERVICES

HAI provides records management and digital transformation services to meet the M-19-21 / M-23-07 electronic records mandate. We collaborate with agency programs to understand your records, develop a compliance roadmap, and implement scanning and metadata services according to NARA's specifications.

► OUR SHARED VALUES UNITE US

COLLABORATION

HAI integrates with your organization and treats your priorities as our own. We build long-term relationships with clients, partners, and subject matter experts. Our organization values its people-centric referral network and the community stakeholders benefited by our projects.

PROFESSIONALISM

HAI respects each of our clients' diverse missions. Accuracy and credibility are the foundational tenets of our services. And our open, ongoing communication is key to our clients' success, which is how we define our own success.

CURIOSITY

Lifelong learners, every subject matter expert and leader at HAI becomes invested in the details of our clients' focus areas. While the topics we research are vast and varied, our techniques, strategies, and passion for fact finding help us discover what is most important to you on every project.
